What other services would you like to see at Camden Family Health?

- X-ray
- Nothing at this point in time.
- Vision!!
- They seem to have everything already.
- Pharmacy at more locations
- Dental at more locations
- Ultrasound
- MRI
- Outpatient surgery
- Orthopedic surgery
- CT scans
- Pain Management
- Saturday appointments
- Maybe a PT for teaching at home methods of therapy and also a nutritionist/dietician. A geriatric doctor would also be a plus.
- Men's Health Services.
- A place specifically for woman and/ or men to go to talk to. For example, if a male needs help with men things he could have a male doctor (same for women). A LGBTQ+ center for LGBTQ+ youth.

Patient Comments:

- I like it that Dr. Bush is very knowledgeable and it's obvious she does research and can quote statistics.
- Doing a good job.
- I absolutely love them both (Leslie Simms & Patricia Boone)! Excellent, caring providers!
- This is a great facility with great people and wouldn't change anything.
- Pretty much have everything I need there. Already recommended to my daughter.
- Always takes excellent care of me.
- Receptionist was very nice and helpful.
- Happy with all the services provided at this time!! Keep up the excellent work.
- Everything is going very well. They are very helpful and called to set me up for my COVID shots. Referred me out of town for a heart specialist.
